

## Dirt Bike Ramp

### Instructions for Part # DB-7606

## General Guidelines ⚠

- It is the user's responsibility to read and follow all instructions.
- Keep these instructions with the product at all times and review before each use.
- It is the responsibility of this product's owner to furnish the instructions to any person that borrows or purchases the product.
- Inspect the product before use to ensure it is assembled properly and all parts are in safe working order and free of defects.
- Never modify this product in any way.
- All circumstances cannot be addressed in these instructions. Please use common sense and practice general safety measures when using this product.
- Parts and/or instructions are subject to change without notice.

## Safety ⚠

- Always use good judgment and practice general dirt bike safety measures when using the dirt bike ramp.
- Clean the dirt bike ramp and dirt bike of mud, snow, or other debris before loading and unloading the dirt bike.
- Store the dirt bike ramp in a safe, dry place.
- Never exceed the maximum weight limit displayed on the side of the dirt bike ramp.
- Never use the dirt bike ramp on an unsafe or damaged tailgate, trailer, or other loading surface.
- Thoroughly inspect tailgate cables and ramp safety straps for cracks or fraying.
- Dirt bike ramps are designed for loading dirt bikes only - not for use with street bikes.
- Do not ride your dirt bike up the dirt bike ramp.

# Loading and Unloading

## **Loading**

1. Park the vehicle and/or trailer on level, hard terrain.
2. Set the parking brake on the vehicle. If loading onto a trailer, make sure the trailer is properly hitched to the vehicle and level.
3. Rest the dirt bike ramp attaching plate onto the edge of the tailgate or trailer. Make sure the dirt bike ramp is tight up against the loading surface, centered on the loading surface, resting on hard, level ground, and is at the lowest angle possible.
4. Loop included safety strap through two consecutive center holes of the dirt bike ramp, approximately 2' from the tip of the dirt bike ramp. Attach the other end of the safety strap to a secure spot on the underside of the vehicle. (i.e. steel bumper, receiver hitch). Pull safety strap tight to remove slack. (See example pictures on next page.)
5. Always have a second adult person to help load the dirt bike. Never allow a child to help load the dirt bike.
6. Push the dirt bike up the dirt bike ramp in a slow, smooth, constant motion. Never stop in the middle of the ramp.
7. Once loaded, secure the dirt bike with tie-downs.
8. Remove the safety strap and dirt bike ramp and store away.

## **Unloading**

1. Repeat Steps 1-5 above.
2. Back the dirt bike slowly down the dirt bike ramp. Slowly descend the ramp until the dirt bike is fully off the dirt bike ramp.
3. Remove the safety strap and dirt bike ramp and store away.

# Proper Safety Strap Usage

**Step 1.** Loop the safety strap through two consecutive center holes of the ramp approximately 2' from the top of the dirt bike ramp. Loop the S-hook through the loop end.

**Step 2.** Pull the safety strap tight, cinching the loop around the ramp. Feed the strap underneath the ramp.

**Step 3.** Hook the other end of the safety strap to a secure point on the back of the vehicle. Pull tight to remove slack.

# Product Warranty and Liability

**GENERAL PRODUCT WARRANTY:** Products purchased from the Authorized Dealer (original place of purchase) or Merchant (“Dealer”) will be free of defects in material and workmanship at the time of receipt, and will meet the specifications stated at the place of purchase transaction or online at the Dealer’s website, under normal use and service when correctly installed, operated and maintained. This product warranty is effective for the period of time stated below, unless otherwise stated in the product instructions or depicted in the product advertisement. **All Authorized Dealer warranties are NON-TRANSFERABLE** and cover only the original end purchaser. This limited warranty does not cover products purchased through non-authorized dealers. Non-authorized dealer receipts are not accepted for warranty verification.

\*\*\*Warranty claims must be made directly to the original place of purchase.\*\*\*

**WARRANTY PERIOD:** This warranty remains in force for one year from the date of the product’s accepted delivery. The Authorized Dealer offers a one year manufacturer’s warranty for most products unless otherwise specified on the product advertisement.

**WARRANTY SERVICE:** The Authorized Dealer will replace any defective or malfunctioning part at no charge, including payment of the shipping costs of parts or replacement product to and from the manufacturer. The purchaser is responsible for labor charges. If the product does not meet specifications as depicted in the advertisement, the Authorized Dealer will refund the full purchase price of the product.

Questions regarding the warranty on a specific product and warranty claims should be directed to the Authorized Dealer with whom the purchase transaction was made.

**WARRANTY LIMITATIONS:** The above warranty does not apply to products that are repaired, modified or altered by any party other than the Authorized Dealer; are subjected to unusual physical stress or conditions (such as overloaded ramps or corrosion), natural disaster, governmental actions, wars, strikes, labor disputes, riots, theft, vandalism, terrorism or any reason beyond reasonable control; are damaged due to improper installation, misuse, abuse, accident or negligence in use, storage, transportation or handling, or tampering; or to products that are considered consumable items or items requiring repair or replacement due to normal wear and tear.

Product should be inspected prior to signing for delivery. Product damage incurred during shipping, unless noted on the Bill of Lading at the time of delivery, renders this warranty void.

**LIMITED LIABILITY:** In no event shall THE AUTHORIZED DEALER be liable to the purchaser or any third party for any indirect, incidental, consequential, special, exemplary or punitive damages arising out of the use of the product, including, without limitation, property damage, loss of value of the product or any third party products that are used in or with the product, or loss of use of the product or any third party products that are used in or with the product.
